

Telecommunication Media and Technology Practice Group

 www.advocaat-law.com |  Advocaat Law Practice

Our TMT team is comprised of subject matter experts who have proven themselves to be skilled in helping businesses innovatively navigate legal, regulatory and transactional issues in the areas of telecommunications, media and technology. We offer specialized and tailored legal, regulatory and transactional solutions based on our experience and support our clients to thrive, and meet their strategic business objectives.

The background of the lower half of the page is a photograph of several telecommunications towers. The towers are made of dark metal lattice and are covered with numerous large, white, parabolic satellite dishes. The towers are set against a clear blue sky. A semi-transparent dark blue rectangular box is overlaid on the left side of the image, containing white text.

“Information technology and business are becoming inextricably interwoven. I don’t think anybody can talk meaningfully about one without the talking about the other”

Bill Gates
