

Corporate and Commercial Practice Group

Advocaat Law Practice's Corporate and Commercial Group offers a wide range of legal services to both local and multinational companies operating in the various business sectors of the Nigerian economy.

Specifically, the group advises clients on issues ranging from company formations, corporate restructuring, joint ventures, mergers and acquisitions to disposals, as well as providing general advice on regulatory compliance and corporate governance issues. The group has also over the years, served as company secretary to several companies drawn from all major sectors of the economy.
